

Capability Statement

Core Competencies

EDWARDS CREATIVE is an award-winning, certified Woman-Owned Small Business based in Milan, Illinois, that offers services in graphic design, custom display and exhibit fabrication, environmental design, installation, large-format printing, and outdoor wraps. These services are offered to the federal government, local municipalities, and various corporate industries and museums.

21,000 square feet of showroom, offices, and fabrication facility allow our team to work collaboratively, effectively, and creatively. Our team of 22 creatives works directly with clients to ensure top-notch customer service, provide guided project management, and develop new and innovative ideas.
